A Place  
Where Your  
Family Can Grow!

Dear Pastor,

It is with mixed emotions that I write this letter of recommendation. Vonda Jones has served as our church secretary since her graduation from Northland Baptist Bible College in 1998. She has been faithful, loyal, and has become a great friend to my family and me. We gladly give her to the work in Thailand, but will miss her terribly. Vonda has been praying about the mission field since before I knew her. One of the prerequisites to her accepting the job here at Highlands Baptist Church was that we let her go on a mission trip that she had been planning. In August of 2003, she told me that she felt God wanted her to work with orphans. After pursuing many apparently open doors, God is making it evident that He is calling her to work with veteran missionaries Jim and Kathi Hayes in Thailand. I am thrilled that she will be working with such dedicated, proven missionaries and am sure she will enhance their ministries.

Vonda is a plodding worker who will stay with a task or project until it is done. She works quite independently and our church is very reliant upon her. She is extremely dependable and very prompt. She walks with the Lord and has developed a great amount of discernment through the years. She is the daughter of a Baptist pastor and her mother was a single missionary in South America before she got married.

I would say that her best assets are her secretarial work, musical abilities, and her love for children. I wholeheartedly recommended her to Baptist World Mission as a missionary and to Jim and Kathi Hayes as a co-worker, and now to you as a missionary seeking support.

I urge you to have her for a meeting and consider supporting her. She is able to leave as soon as her support is raised and Jim and Kathi need her help. Please feel free to contact any of our staff or church leadership for any more references you might want.

Your Friend in Christ,

Jeff Musgrave
